Blooming Roses...thoughts from your chapter president

I'm looking forward to some exciting things going on with our chapter and our state cele-

bration. We are having our first February meeting on the 18th at 5:00 pm at Janelle's Bakery on Broadway Street. The menu will be a deli style dinner for \$10. We are starting this meeting an hour earlier to have a chance to relax and enjoy each other's company without rushing to begin the business meeting. On Saturday, March 9 we will be hosting the Tri Meeting with Alpha Omicron and Beta Alpha. It will be held at LaRosa's in Jackson at 11:00 am with an Italian themed dinner and show led by our

own Kim Lewis. Alpha Delta State 75th Anniversary Chair and Past State President Virginia Koch will be our guest speaker. The weekend of April 12-13-14 will be the 75th Anniversary Celebration of Alpha Delta State to be held in Columbus. This will be one that you don't want to miss as there are many special events planned for that weekend. The current issue of "The Voice" has all of the exciting details and information about this year's convention. Our final meeting of the year will be April 15 at the Jackson Presbyterian Church -

Scholarship News

Delta Epsilon is proud to present TWO scholarships this year to University of Rio Grande senior year students working toward their degree in education.

Jacquelyn Coyan is a senior and will be student teaching at Bundy Elementary this spring semester. Jacquelyn just passed her Praxis II and is excited to begin her career.

Autumn Smith from Oak Hill is also a senior and will be student teaching at Oak Hill HS. Autumn's degree will be in secondary mathematics education.

Each scholarship winner received a monetary award to be used for their student teaching expenses. (clothing, materials, transportation, etc.)

New Member Installation

During our October meeting we officially welcomed two new members to Delta Epsilon.

Pam Patterson teaches language arts at Wellston Middle School in Wellston, Ohio. She grew up in Athens and has 7 children. She went to college at the same time as child #5. Pam is in her third year of teaching.

Amy Meade (on the left in the photo) teaches 6th grade math at Wellston Middle School and has been teaching for two

years. Wellston is also Amy's alma mater.

Jolly England

This picture shows all the teachers who were selected as part of the Chaucer Summer Seminar sponsored by the National Endowment of the Humanities. They are in front of Canterbury Cathedral, the place the pilgrims were traveling to in Chaucer's *Canterbury Tales*.

Auction night for scholarship..... “Going once, going twice, SOLD”

The evening started out with devotions by Debby Crabtree, a White Christmas was the theme.

Members brought in a covered dish meal as the meeting was held at the Markay Cultural Arts Center in Jackson.

After the meal and regular meeting, the scholarship committee started the auction. Committee members from left to right: Sandy Wilkin, Crystal Coyan, and Mary Nutt did a wonderful job setting up the event.

Cooks Corner

Grilled Salmon

- Salmon fillet, with the skin
- Sea salt, or an infused salt (I like lime/ginger)
- Brown Sugar
- Soy Sauce
- *no amounts given, just go by preference

Place salmon skin side down on foil. (the skin helps the meat stay together, if you use skinless, use a cooking spray on the foil. Rub the salt and brown sugar over the top of the fillet.

Pour soy sauce over the top.

Place on grill approx. 350 deg (med heat) and close the lid. 20 minutes later take it off the grill and enjoy!

Newsletter editor change for 2013! Just in time, look at these lines!

Member Tammy Roush will be taking over the newsletter for the upcoming year. Tammy is employed by the Gallia-Jackson-Vinton JVSD but teaches at Oak Hill High School.

This is what is called a “satellite” teacher.

Thank you Tammy for volunteering to help your chapter’s communication committee.

If you have a news story, something you would like to share with the group, job promotion, etc. contact Tammy to give her the scoop.
